STATEMENT OF PROBABLE CAUSE

(For issuance of an arrest warrant or summons)

I state that on 03/26/2022 while exercising my duties as a law enforcement officer in the _____ District of MT

Pursuant to 16 USC 551: I Forest Service Law Enforcement Officer John JANIK state that on March 26, 2022, I responded to a complaint about a very messy campsite that had been on National Forest lands all winter at the junction of the Delmoe Lake road and Halfway Creek. A camp trailer and other items in the campsite were recognized as belonging to Rachael HALVORSEN and Gavin HARRISON. Trash was blowing all around, sewage was being dumped onto the ground next to the stream. Drug paraphernalia was evident in plain sight. Food was left outside unsecured. It was very evident that the campsite had been there for a considerable period of time. On March 27, the campsite was documented with photos. On March 31, 2022 the campsite was alarmed to notify JANIK of occupancy. On April 6, 2022 at 21:57 JANIK received a notice that there may be people at the campsite. JANIK requested assistance from the Jefferson County Sheriff's office. Deputy MERCER and MHP Trooper ARMSTRONG responded to the campsite with JANIK. Both HARRISON and HALVORSEN were found at the campsite. JANIK asked Harrison how long they had been camped at that location, and Harrison stated that they had moved their camp to this location in October of 2021 after leaving the Fish Creek Campsite. Harrison and Halvorsen were both arrested on State of Montana Warrants. HALVORSEN and HARRISON were issued Notices of Violation for Camping longer than 16 days as prohibited.

The foregoing statement is based upon:
